Josh,

Attached are the talking points. You may want to re-format them or categorized them, but, I believe this captures all of our work today (and conclusions where appropriate). Many thanks to Steve and Maryann for pulling this together.

Steve is in tomorrow. I am on leave and will be hard to get a hold off until late in the day – but – leave me a message if there is anything critical (mobile: 440-476-7988) and I'll return that call when I can.

Jason – feel free to let Rick know that we're getting this together.

Thanks all,
md
